Organic Architecture - Bauhaus to 1990

Course Status Course Cancelled

Course Code MOASUS-0315-1610

Description A look at some of the modern 20th century architecture with the likes of A. Gaudi, F.L. Wright, A. Loos, B. Goff, A. Aalto, B. Zevi, J. Lautner, A. Dyson, G. Michelucci, F. Hundertwasser, P. Soleri, P. Rudolph, Le Corbusier, Eliot Noyes and lots of others influential and/or controversial architects. We will explore how a sometimes contradictory architecture can be re-applied to fit into the new "green movement." Beside designs, concepts and styles we will talk about how green construction techniques and materials can be applied to modern buildings.
